professional summary

Motivated Computer Science student at Dilla University with strong skills in software development and problem-solving. Passionate about building efficient systems and web applications. Seeking internship opportunities to apply programming knowledge and contribute to real-world projects.

Education

BSc in Computer Science (Expected 2027)

Dilla University, Ethiopia

Relevant Coursework:

Data Structures & Algorithms | OOP | Database Systems | Software Engineering | Computer Networks

technical skills

Programming: C++, Python, Java

Web: HTML, CSS, JavaScript

Concepts: Data Structures & Algorithms, OOP, Problem Solving

Tools: VS Code, Git, GitHub

Soft Skills: Teamwork, Communication, Time Management, Adaptability

projects

- Hospital Management System (C++)
- Quiz Application
- Dormitory Management System

certifications : AI Certification – Udacity

experience

Student Project

- Developed multiple academic and personal projects
- Built systems demonstrating programming and software design skills

languages: English (Good) | Amharic (Fluent)

interests: Software Development | Problem Solving | Technology Innovation
